We need fees and levies information to calculate your fees for the Financial Conduct Authority (FCA).

This guidance sheet provides details on the data to include within the firm's fee tariff data form. We have given links to relevant parts of the Handbook to help you submit the form correctly. This sheet covers the following fee-blocks:

- **FCA fee-block AG30 or G030**

For more information on this, including which regulated activities place firms into the above fee-blocks, please refer to the Fees manual, App 4 Annex 3 of our Handbook.

Each year we consult on any proposed fee policy changes and fee tariff bases may be subject to change. So before submitting the fee tariff data, you should also refer to the [latest publications](#) about fees on our website. These explain any proposed changes to the tariff data you must report, and the expected date when any changes will be implemented.

#### **FCA fee-block: AG30 or G030 – cryptoasset**

##### **Tariff base: annual income cryptoasset business**

This is defined in our fees handbook, in [FEES App 4 Annex 3](#).
